Ameila Jade Warenski

April 24, 2024 — June 2, 2025

Elko, Nevada

Ameila Jade Warenski was born 04/24/24 at 04:24 p.m. She was 1year 1month old and beautiful, loving, and full of life. Wherever there were people or something new, she loved to be in the mix of everything and everyone! She was loved by all her family and even more so by her grandparents, Kathy and Scott Warenski. She ruled her mother (Marisol Cortez) and father's (Robert M. Warenski) world!

She brought so much joy, laughter, and life anyone and everyone she had a chance to meet. She loved music and had just started to learn to dance and try to find her own rhythm. She wanted to be independent with everything she wanted to do. There was no stopping her once she set her sights on what she wanted! The lives she touched in the short time she was here is immeasurable. Words could never express how truly and deeply missed she will be. Heaven gained and beautiful and precious Angel.

She is still survived by three older brothers Nathaniel, Cylas, and Felix.

Mommy and Daddy love you so much little bird and we cant wait till we see you again.

Graveside Services will be Thursday, June 12, 2025 at 1:30 pm at Santaquin City Cemetery, 100 E 300 S.
