WORK SESSION MINUTES

The meeting was called to order by Mayor Kirk Hunsaker at 5:30 p.m.

**Other's Attending:** City Manager Benjamin Reeves, Assistant City Manager Norm Beagley, Community Development Director Jason Bond

## DISCUSSION ITEMS

### *Discussion Regarding Upcoming City Events – Community Services*

Community Services Director John Bradley gave a report with different options on the possibility of having a rodeo in the fall. Options ranged from not having a rodeo, having just a little buckaroo, or having a limited scaled rodeo. The biggest issues were the safety and liability issues due to COVID-19, the inability of the city to do contact tracing because of no assigned seating, the inability to get a mass gathering permit because of COVID-19 and the rodeo arena has no permanent seating, inability of the city to require masks be worn, and finally the sponsorships already pulled back because the rodeo didn't happen during Orchard Days so the city would have to bear the full cost of the rodeo.

Council agreed that it didn't make sense to do the rodeo this year.

### *Review of Emergency Watershed Protection (EWP) Projects under development with the Natural*

Assistant City Manager Norm Beagley gave a report on the EMP Projects.

### *Resources Conservation Service (USDA-NRCS) and Utah County*

Assistant City Manager Norm Beagley gave a report on the NRCS Projects.

### *Other, time permitting*

City Manager Reeves asked if the Council would be okay with starting to cast work meetings on Youtube, especially with the new camera and audio system being installed early September and whether the Council wanted to continue to do it in the basement or to do it upstairs. Because the city uses a makeshift camera system, the only current reason why the work meetings aren't recorded is because it's difficult to set-up, take down, and then set-up again.

Council Member Miller said he'd be perfectly fine with having the work meetings upstairs. The rest of the Council agreed.

## ADJOURNMENT

At 6:35 p.m. the meeting was adjourned.
