DISCUSSION ITEMS

Training Video – ULCT (2020 Utah Land Use Class – Part 2) – Carried over from previous work meeting due to lack of time

The Council watched land use training video. Community Development Director Jason Bond reviewed some of the main points of the training video including administrative versus legislative actions and appeal authorities.

Review of Request for Proposal (RFP) Language for the General Plan Update

Community Development Director Jason Bond went over the RFP language that was drafted by staff and asked for specific feedback for the scope of work for the RFP.

Follow Up Discussion Regarding Possible Weekly Council Column/Posts

City Manager Reeves asked if the Council wanted to have the weekly Facebook posts with each Council Member rotating each week. The Council expressed concerns with posts getting re-shared onto private pages and then the discussion gets taken to a forum outside of the city's control and where Council Members can't respond in an official capacity. Even in a best case scenario, where the comments and responses were on the official city page, Council Members expressed concerns with having to monitor and respond to individual Facebook comments on the post with a preference to instead to meet face to face with residents. The Council opted to stick to the monthly newsletter format that would be posted on the website and Council Members would rotate each month instead of each week.
