

Minutes of a Planning and Zoning Meeting held December 12, 1979, at 7:30 P.M. in the City Hall, 68 East Main Street, Santaquin, Utah.

Present: Lynn Crook, Dan Mendenhall, Helen Kester, Michael Olson and Ramona Rosenlund acting as clerk.

Meeting was called to order and prayer was given by Mr. Crook.

Minutes of the previous meeting held November 28, 1979 were discussed and Mrs. Kester made a motion they be approved with the correction of two misspelled words. Mr. Mendenhall seconded the motion and it passed unanimously.

There followed a discussion of the area which might be involved in the Annexation Policy. It was thought the brush line as it now exists on the East and the canal on the North and to Rocky Ridge to the South would be natural boundaries to be followed but they would have to know more about the limits of Genola to the west before any decision could be made there. Also they would need to know *individual* property boundaries on all sides.

Fred Thompson came in the meeting at 8:30 P.M. and he brought several maps of the area involved in the discussion. These maps were studied over by the group. Mr. Thompson said he would have a single large map covering the entire area for the next meeting which would be much better to work with so it was decided to take turns looking over the maps brought tonight between now and the next meeting.

The next meeting was set for January 9, 1980 at 7:30 P.M.

Motion to adjourn was made by Dan Mendenhall and seconded by Helen Kester. Motion passed and meeting adjourned at 9:00 P.M.
