<https://bit.ly/2P7ICfQ>

Santaquin City public meeting agendas are posted on our website and on Facebook:  
<https://www.santaquin.org/meetings>  
<https://www.facebook.com/santaquincitygovernment>

## Firework Restrictions

The Santaquin Fire Department would like everyone to have a safe Independence Day and Pioneer Day. Remember that fireworks may only be discharged July 2nd through 5th from 11:00 am to 11:00 pm, and until midnight on the 4th and July 22nd through 25th from 11:00 am to 11:00 pm, and until midnight on the 24th. Fireworks of all kinds, shapes and sizes are prohibited in ALL areas east of I-15, southwest of Rowley's Red Barn and ALL of Summit Ridge.

## Photo Contest Winner

May's Photo Contest winner is Chelsea Reynolds. She said, "It was taken at the bottom of Pole Canyon near the city's Irrigation Reservoir. I had just dropped my

daughter off at her last day of preschool and after noticing how beautiful the mountains were with the morning fog rolling off them, I couldn't go home without first snapping a photo." Congratulations Chelsea!

## Payson Santaquin Area Chamber of Commerce

Please support the Santaquin Hometown Market! It will run every Monday Night from June 13th to Sept. 26th from 5:00 pm to 8:30 pm at Centennial Park. No market on July 4th.

## Hidden Picture Contest

There is a hidden heart like the one on the right in this issue of the newsletter. If you spot it, email:

kmortensen@santaquin.org or

bshupe@santaquin.org with the location and your contact information by 7/31/2022 to be entered in a random drawing for a fun prize.

## Volunteer of the Month

Santaquin May 2022

# Volunteer

of the month

**Tyler Warner**  
Thank You For Your Service!

Tyler Warner is our July 2022 Volunteer of the Month. Tyler is a US Army Veteran, having served from 2008 to 2012, and is a diesel mechanic, owning his own mobile diesel repair business called WNR Mobile. Tyler owns a demolition derby team called Wrecked Neck Racing. This year, he created a mentorship program through the team, and has donated 5 cars to 4 local high schools (Payson High Auto, Payson High Welding, Provo High Welding, Maple Mountain Welding, and the Salem ALC). He is teaching the teens in this program how to build derby cars. All of the money to get this program started came out of his own pocket; and on his own time, he cycles through all the schools to help guide the students with their cars. This summer, these cars will be competing in Utah's first ever high school rivalry heat. Tyler has done this to highlight the importance of technical trades and to give a hands-on learning opportunity to the youth in our community.

Tyler attended Wyotech in Laramie, Wyoming, to become a diesel mechanic. Born in Elko, Nevada, he moved around a bit, then decided to settle down in Santaquin in 2016.

Sarisha Martin, his soon-to-be bride, works along with Tyler to find sponsors for the program. They are engaged to be married in October of this year and are raising three children together. They enjoy hunting, fishing, hiking, and anything outdoors together as a family.

Thank you, Tyler, for encouraging the trades for our youth. Your example of a true mentor will enrich the lives of these teens for many years to come.

The dates for the 2022 Utah County Fair are:

Thursday August 4, 2022

Friday August 5, 2022

Saturday August 6, 2022  
at the Spanish Fork Fairgrounds.

<b>Total Other Transfers In:</b>		<b>\$ 4,157,637</b>

## Greetings Friends and Neighbors,

As I begin this month's newsletter, I want to wish all of the citizens in Santaquin the best summer ever and to remind everyone to stay safe and have fun. This is a great time of year and living in Santaquin helps us all realize that we live in the best place in the world.

Over the past few weeks we have had some great advancements on issues around our city. Norm Beagley and I attended the kickoff meeting with the US Federal Highways team, the Forest Service and the contractor for the canyon roadway repairs. The contractor is now mobilizing equipment and supplies to begin work in a short time.

Phase I will be finished in a couple of months barring any unforeseen issues. Phase II money is approved and the contractor is in negotiations with the US Federal Highways contracting department to start work on that as soon as they can finalize contract negotiations.

The Forest Service will work on Tinney Flat separately beginning soon and most likely will work from the upper end as the bridge is not repaired at Cold Spring in Santaquin Canyon yet.

We meet regularly with the CUP in review of progress and expectation for construction in our area. The CUP team is working to ensure all easements and agreements are made with landowners and finalizing the 30% reviews. Once complete the 60% review will follow shortly and selection of contractors to do the work will follow after that. The CUP water will be at our door very soon and the engineering staff at Santaquin City is fully engaged in ensuring all of our connections and system will be utilized to the fullest.

This past month we have been able to present the facts and make a case to secure another piece of the corridor realignment of the east side Frontage Road utilizing Utah County corridor preservation funds. Mountainland Association of Governments awarded a full sum to purchase this land from a willing seller. This saves the city a lot of money and allows us to prepare the area for further engineering that needs to be completed and a desire to move the replacement of the interchange upward from a 30+ year estimate they have given us. We are working to help this move along.

We continue work on the industrial park and are working closely with industries around the region to help bring in businesses that will add jobs and revenues that will help our area. This is ongoing and we as a council are looking at all options to make this successful for Santaquin.

The Budget has been approved and we will march into the 2022/2023 year by not raising taxes and by ensuring we are being responsible for all monies entrusted to us. Our fiscal condition is in very good shape.

The Prospector View Mountain Bike Park is underway with the engineering, permitting, and soon to be construction of our parking lot located just a few hundred feet from the Forest Service cattle guard. Work will begin very soon with heavy equipment moving earth, and within a few months time, a new restroom along the canyon road. Trails are being marked and the bridge will soon be underway as well. This will be a great addition to our recreation facilities and for hikes in many areas that most have not walked. These will be hiking and biking trails for all to enjoy.

Thanks to you all for the many good things you do for this city, the hours of service you render, and for your attendance at the weekly events. We will see you at the Santaquin Orchard Days Celebration and invite you to plan to participate in every way. This year will be great!

**Mayor Daniel M. Olson**

# COMMUNITY SERVICES DEPARTMENT

## Orchard Days Schedule of Events

July 30th to August 6th | Let's "Stirrup" Some Fun in 2022!

### Saturday June 30th

- Opening Ceremony & Flag Raising (Clement "Jake" Kester)

## Passport to Summer

Passports can be picked up at the Santaquin City office, Santaquin Library, and Santaquin Recreation building. The passport will have a list of fun activities for youth to participate in. Parents and families need to take pictures of youth doing the activities and bring the picture and the passport to the sponsoring business to collect their stamp. We will have an End of Summer Passport Party with some prizes for participants.

**Ages:** All youth

**Fee:** FREE (Some passport activities may require you to purchase a ticket or pay a fee)

**Session:** May 30 - August 11, 2022

## Fall Activity Guide

Check out the latest activity guide at [santaquin.org/recreation](http://santaquin.org/recreation) or [santaquin.activityreg.com](http://santaquin.activityreg.com)

## Library Summer Reading Program

Don't forget to join the libraries summer reading program! For more information visit the library during business hours or call (801)754-3030.
