Be informed before you vote in the Primary Election on June 28th!
There will be a Q&A session after candidates speak.

SECOND SATURDAY GREEN WASTE DISPOSAL SCHEDULE 2022

June 11
July 9
August 13
September 10
October 8
November 12

THE OLD CITY LANDFILL, 1100 W 200 N (LARK LANE) IS OPEN TO GREEN WASTE DISPOSAL FOR SANTAQUIN CITY RESIDENTS ON THE SECOND SATURDAY OF EACH MONTH FROM APRIL THROUGH NOVEMBER FROM 8 AM TO 4 PM.

The CENTRAL UTAH WATER CONSERVANCY DISTRICT offers free online classes with a variety of topics. Follow the link to see a list of classes and to register. <https://www.cuwcd.com/classes.html>

Pressurized Irrigation to Entire City

With the completion of the new PI water tank, Summit Ridge will now have secondary water in the irrigation system. This means that the water running through the sprinkling systems is NOT potable, not drinkable. It includes water from the city's Water Reclamation Facility (along with other sources) which has processed and reused more than two billion gallons of water thus far for our residents. It is highly recommended that water filters be installed on all sprinkling systems. To learn more about these filters and their ease of use, refer to this video

<https://www.youtube.com/watch?v=nk5zGbwDzSM&t=29s>

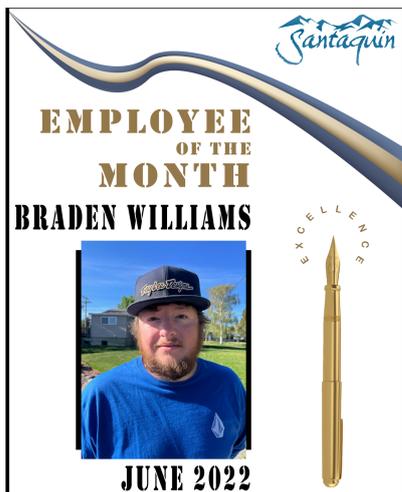

A second video shows the ease of cleaning one of these filters after installation.

https://www.youtube.com/channel/UCTzZT_yW2H2Hd-58M2_ddSw

Water Meter Access

Please do **not** cover water meters with dirt, rocks, any other type of landscaping material, debris or vehicles/trailers. Meters need to be unobstructed at all times so that Public Works has access to them.

Employee of the Month

Braden has worked for the city for about one and a half years and has been a great benefit to our public works department and to Santaquin City. He has picked up on the meter reading system and is constantly learning new skills that will help the department and our city in the future.

Last fall, Braden was driving down 100 North on his day off and noticed water in the road. After investigating, he found a broken pipe in a sprinkler system. Not only was the water running down the street, but it had also started filling up the window well at the resident's home. Braden immediately turned the water off averting flooding into the resident's home. Braden then called his boss, and they were able to get in touch with the homeowner. She was very grateful for Braden noticing an issue and taking care of it. It goes

back to what has always been encouraged in the public works department; if an employee is in town, they are working, no matter if it is their day off or not. When asked what Braden likes about his job, he said, "It is helping people with whatever they need with their meters and connections." It is evident that Braden does love helping our citizens.

Braden is married to his sweetheart Lauren, and they have three children. He was born and raised in Santaquin and they've recently purchased their third home here in Santaquin. His extended family still lives in town, and he loves being close to them.

A big thank you is extended to Braden for his service to Santaquin City and the residents of this community. He is a great example of a dedicated employee and deserving of this recognition.

Photo Contest Winner

Kimberly Valasquez is April's 'What Do You Love About Santaquin?' Photo Contest winner with this beautiful photo of the Theodore Ahlin pond. Congratulations Kimberly! You can find instructions for entering here:

<https://www.santaquin.org/community/page/photo-contest>

Free Summer Meals

The Utah Food Bank will provide free summer meals for youth up to age 18 Monday through Friday (no service on 7/4 and 7/25) from May 31-August 12 between 10:30 am and 11:30 am at Santaquin Centennial Park, 300 W 100 S. Meals must be eaten on site. No registration required.

Hidden Picture Contest

There is a hidden turtle like the one on the right in this issue of the newsletter. If you spot it, email: kmortensen@santaquin.org or bshupe@santaquin.org with the location and your contact information by 6/30/2022 to be entered in a random drawing for a fun prize. Congratulations to Jacob and Katie Brooks for winning April's Hidden Picture Contest!

Public Hearing: On June 7th, 2022, at 7pm, Santaquin City will be holding a public hearing on its proposed FY2022-23 Budget and the Inter-Fund Transfers found therein. I invite you to participate and let your voice be heard. To review the Tentative FY2022-23 Budget in detail, please go to www.santaquin.org. Please feel free to visit with me or our Finance Director, Shannon Hoffman, if you have any questions or want to learn more.

Total Other Transfers In:		\$ 1,789,676

Greetings from the Mayor's desk,

June is upon us and summer activities are now starting to happen. For many it will be a vacation, camping trips or activities near home. I hope we all have the chance to do those things we have planned.

At the conclusion of each summer is our Santaquin Orchard Days. As we prepare for that, we have so many good things ahead. We are looking forward to the completion of the Harvest View Park Phase Two near the south interchange with new pickle ball courts, a new parking area, a new restroom and concessions building. These new park amenities will be a great addition to all our facilities we are utilizing for recreation in the community.

On May 17, we were able to take part in the groundbreaking and welcoming the expansion of the new Murdock Ford to the south interchange. This new facility will give a brand-new view of Santaquin from travelers arriving from the south and those that travel that roadway each day. The look of the facility and knowing they are including so many service bays is exciting to see their desire to have a successful business. With Murdock

Ford as an anchor, we look forward to even more business growth at the south interchange and how this can improve our city.

For months we have worked with bringing and inviting new businesses to our city. This is a slow process and we, as your city representatives, continue to work to encourage and help businesses to locate here and become a part of Santaquin. I encourage you to shop local, meet with and get to know our local businesses, and to find ways to support them and strengthen their endeavors. With them, we will be successful and we will all benefit from and enjoy their hard labor to supply us with their products or services. Thank you to all those businesses who make our lives better. We look forward to many new businesses becoming part of Santaquin.

Mayor Daniel M. Olson

COMMUNITY SERVICES DEPARTMENT
