Volunteer of the Month

Santaquin **September 2022**

Volunteer
of the month

Ron Petersen
Thank You For Your Service!

Ron Petersen is being recognized as our Volunteer of the Month for the outstanding service he has given to our community. Being an Army veteran of Vietnam, a veteran of the Utah National Guard, and a current member of our local American Legion, he has taken a special interest in sharing the history and patriotism showcased in the Patriotic Room of our Santaquin Chieftain Museum. Our museum staff have said regarding Ron, "He has been an amazing volunteer at the museum. He has been very willing, dedicated and kind. He has served on the museum board and volunteers often in the Patriotic Room with other veterans who help teach children to be grateful for our freedom and for those who sacrificed for us. Ron has helped with many elementary school tours and is good at relating and talking to the children. Ron also helped us with the inventory of all the items in the museum (taking pictures and cataloging). He came a couple times a week for almost two years, until it was complete. We are grateful for his military service, volunteering at the museum, and his friendship."

Ron and his sweetheart of 54 years, Ramona, have lived in Santaquin for 42 years. They met and married in California then moved to Santaquin. Upon arriving here, they decided it would be the perfect place to raise their family.

Ron and Ramona have four daughters and two sons with sixteen grandchildren and one great-grandchild. During their time in Santaquin, Ron served as a coach for T-Ball, coach pitch ball, and a Cub Scout leader for nine years. Ramona shared, "Ron has loved all the opportunities to help in our community and the people here are wonderful to serve with. We have made so many wonderful friends."

September 2022

**Santaquin/Mountain Valley Area
Hands-On Preparedness Fair**

Come learn how

Saturday, September 24, 2022
9 am to Noon
Santaquin North Stake Center – 545 North 200 East
Light Refreshments Served

Ramona is no stranger to volunteer work as well, as she has served in numerous positions, and most recently as the secretary of the American Legion Auxiliary. Ron's professional career was with the US Postal Service as a letter carrier in Provo.

Thank you, Ron, for your volunteer work with Santaquin City. Our community is better off because of your kind and dedicated service.

Fall Clean Up

Ordinance Highlight

We have had some residents asking lately if there is a curfew for minors. Ordinance 5.12.010 states that it is unlawful for any minor under the age of 18 years old to be on any sidewalks, streets, alleys, or public places in the City between the established curfew hours of 11:00 pm and 5:00 am unless the minor is with a parent, guardian, or other responsible adult having care and custody of minor. Another exception is if the minor has employment that requires them to be on the sidewalks, streets, in alleys, or public places while working or traveling to or from such employment. It is permitted also if the minor is on an emergency errand directed by their parent, legal guardian, or other responsible person having care and custody or in a motor vehicle engaged in normal interstate travel ending in the City; attending or traveling between minor's home or place of residence and a place where any religious, Municipal, social, entertainment, sporting, political, library, or school function is occurring; or within the boundaries of the minor's place of residence. (Ord. 94-3, 2-1-1994)

Greetings to all from the Mayor's Desk,

I want to start this month's newsletter by thanking the many volunteers who put their lives on hold for a week to provide the many differing opportunities that made up our Santaquin Orchard Days celebration. The week prior to the parade on Saturday morning, the Veterans held a flag raising ceremony to kick off our celebration. We honored Jake Kester this year. The kind words expressed at that flag raising ceremony not only gave hope in our great nation, but honored one of Santaquin's finest.

Hidden Picture Contest Winner

If you spot the hidden school bus in this newsletter, email:

kmortensen@santaquin.org or bshupe@santaquin.org with the location and your contact information by 9/30/2022 to be entered in a random drawing for a prize.

Congratulations to Zonna Graham for winning July's Hidden Picture Contest!

Photo Contest Winner

Congratulations to the winner of the July Photo Contest, Gary Jackson! He took this beautiful picture of a double rainbow. Gary said "I took off on foot, with it still lightly raining, up the road a bit and captured this looking east toward the Santaquin City Cemetery with Dry Mountain in the background."

For information to enter contest visit: santaquin.org/page/photo-contest.

As the flag ceremony was ending, the Little Buck-A-Roo rodeo got underway. For those of you who have not attended this wonderful event, I suggest you put it on your calendar for next year. I was told by many of the spectators that this Santaquin Little Buck-A-Roo rodeo is the best in the state. The Little Buck-A-Roo rodeo lasted nearly 14 hours. I have to say the volunteers and all of the City staff made this event run great and everyone did an outstanding job. Thank you to all and especially to Paige Steele who is Santaquin's backbone for this Little Buck-A-Roo rodeo. Paige also does a great job helping with our PRCA rodeo that was held the last weekend of our Orchard Days celebration.

I thank the sponsors, the participants, and every citizen who took time to experience every aspect of this year's Orchard Days events. John Bradley, our Community Services Director, was especially involved to ensure all aspects were well covered. Thank you all!

May I give a special thanks for the car show, the family night, games in the park, the tours of the museum, the home run derby, the grand parade, the Grand Marshal (Marilyn Clayton), the children's parade, and every other part of the Orchard Days celebration that I may have missed. It was tremendous.

Our hometown markets and concerts in the city park continue through September 26th. There is/are great produce, meals, and wares offered each week. This is such a fun event to walk through and purchase for the family. The concerts, bands, and other performers have just been incredible. You really do need to hear these professionals and budding professionals. They perform for a couple of hours each Monday night of our Home Town Market. Each week, families are able to sit in the park and visit with so many good friends as well as make new friends. These are another item to be placed on your calendar and not to miss.

On other news, the canyon repairs will not be completed this fall. Negotiations for final pricing could not be mutually accepted between the contractor and the Federal Highway Administration. The Phase Two contract is being re-bid in the coming weeks for work to begin next summer. I have been talking with all involved, as well as including Congressman Owens' office and Senator Romney's office. Both of which are contacting the Federal Highway group to keep it rolling. I have also requested that the district Ranger please open the canyon up to Trumbolt until November so we can use Trumbolt picnic area and drive to the parking lot. More news to come at a later date on these two items.

Lastly, I wanted to update all on the mountain bike park. Prospector View mountain bike park parking lot has been created with two drive approaches, rotomill asphalt was laid and is yet to be compacted. We have determined the appropriate area for the new restroom location, the lighting installation coordinates, and in September, the disturbed soil will be sprayed with hydroseeding. The approaches will be prepared with a pipe to allow storm drainage to move along the roadway. The bridge design was submitted to the State for approval. This will be a pole type bike and pedestrian bridge that crosses the stream. Proposed trails are now being marked with tape and our mountain bike trail committee is giving input on possible trail routes. These routes will soon be underway. This mountain bike park was only proposed in the first week of January and we are to the point that riders will soon be able to traverse some trails where they have never before ridden. What a fun park we are creating.

My wish is that you can all have the very best closure to your summer and prepare for the most fun fall with recreation programs for old and young. We love this place!

Mayor Daniel M. Olson

September 2022

COMMUNITY SERVICES DEPARTMENT

SANTAQUIN LIBRARY

Join us in celebrating Santaquin City Library's 20th birthday in the month of September! Tell us your favorite memories about the library by dropping off your written story at the library or emailing it to library@santaquin.org. We would love to hear your stories, and who knows, yours may get added to the time capsule!

SANTAQUIN SENIORS

55 West 100 South Santaquin
Center Hours: 9:30 am-4:00 pm
Weekly on Thursdays

WELCOME BACK TO SANTAQUIN SENIORS!! We are so very excited to welcome everyone back to have lunch and to our weekly activities. If you attended the Senior lunches last year and ARE NOT GOING TO BE HAVING LUNCH ON SEPTEMBER 8 please let Judy know by September 5th. Patrons come and participate in the following: play cards, work on jigsaw puzzles, play pool, ping pong or use our computer lab or simply visit, renew old friendships and create new ones. Just a reminder that our weekly entertainment begins at 12:00 noon, followed by a delicious home cooked meal at 12:30 p.m.

The Utah County Health Department will hold their annual Immunization Clinic at the Senior Center on Thursday October 6th from 10:00 am-12:00 pm. Please bring your immunization record and insurance card.

Please don't feel too "YOUNG" to check us out! Come spend a day with us!

For more information, please contact Judy Robbins @ 801-360-1698
