A big thanks to all of our volunteers! Visit our Facebook page 'Santaquin Chieftain Museum' or the city website at santaquin.org for more information.

Library

The summer reading program is a fun way to include reading and related activities in family time. It helps children maintain and improve skills. One great way

to keep your children reading is to have them join the "LIBRARIES ROCK" summer reading program at Santaquin City Library. Kick-off is June 5th from 3-6 p.m. where we will have sign-ups and various activities.

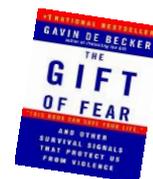

Join in the fun and rock and read!

You asked and we listened! Santaquin Library and Payson Library are coming together for a new program starting May 1st. Patrons can check out materials at both libraries with no out-of-town fees involved. Items borrowed will need to be returned to the library in which they were originally checked out, and fees accrued at one library will need to be paid at that library. Both libraries are excited for this new partnership and feel it will greatly benefit both communities. Contact the library 801-754-3030.

Book Club

Every second Thursday of each month at 7 pm at the library.

Book for May 10th is "Gift of Fear and Other Survival Signals that Protect Us from Violence" by Gavin de Becker. True fear is a gift. Unwarranted fear is a curse. Learn how to tell the difference. Books available at the library.

The library has a new set of kindles for book clubs! The library will use them occasionally and have them available for other book clubs. A club may pay the library to download a particular book (price is about the same as postage charges for books from the State Library) or read one already available. Questions: 801-754-3030

Dear Santaquin Residents and Friends,

Spring is finally here and with that we are all enjoying the warmer weather, beautiful blooms and green grass. We are looking forward to our city wide cleanup efforts in the next few weeks. We encourage all residents to take advantage of this time to get a jump start on your spring cleaning.

With summer just around the corner we are excited about the Diamond Rio concert that is just over a month away. That will be a wonderful community event. We anticipate

our new recreation building will be completed on May 30th and the recreation department will relocate in June. This will be an excellent facility to continue the great work of our recreation department as well as provide new ticket booths and permanent restrooms for our rodeo and other activities that are held at the rodeo grounds.

While we have a few questions and concerns about the Seniors Center attached to the old recreation building, we are continually looking for a good alternative for these great veterans and seniors. We strongly feel that they deserve a safe facility and are deeply concerned about the debilitated facility that they currently occupy. Santaquin City is reviewing every option at this time.

With upcoming activities as well as the concern for the seniors, we are excited to enter a contract with Qualtrics. This will enhance our community engagement efforts through surveying tools and options where we can better listen to the needs of our residents and better gauge the pulse of our community.

I appreciate this community and our ongoing desire to better ourselves and take care of our neighbors. Thank you for your continued support.

Mayor Kirk Hunsaker
