Friends & Neighbors,

It's hard to believe that it is already summer and that the spring time has passed by so quickly. I hope all of you are enjoying your summer time with family and friends. I also hope you have reconnected with the outdoors and this beautiful weather.

I am so proud to report that the first service activity organized by the Community Service Committee was a huge success. It was wonderful to see our community come together to help a neighbor. So much was accomplished that day and I appreciate all who helped in any way that they could.

I would also like to say thank you to all of the city employees and volunteers that helped make the Diamond Rio concert a great success! It was such a fun night and we are thrilled that it went as planned and everyone had a great time. It was so nice to have the new recreation building up and running which was very useful to all that attended. We will be having a ribbon cutting of the new building in the fall.

Lastly, as many of you know, the city sent out our first of many citizen sponsored surveys regarding a proposed Recreation Center. I urge you to take part in these surveys so that we know what our citizens want. For those who would prefer to let your voice be heard by taking a "Paper Version" of the survey, please stop by our City Office, Recreation Building, Library or Senior Center.

We appreciate all those that participated in the first survey. Those results can be reviewed at www.santaquin.org. Through this first survey, we found that we do not have good email addresses for many of our residents. So if you did not receive one through email, please contact the city office to update your information. These surveys will be very helpful in the future and we want your input!

Once again, thank you for all you do for our community. It is an honor to serve you as your mayor.

Mayor Kirk F. Hunsaker

The 2018-2019 Budget was approved by the Santaquin City Council on June 20th, 2018. The budget is a great document to learn about all of the issues our community is facing and the projects and priorities established by our City Council. Please check it out at www.santaquin.org. The approved transfers are listed on the right for your review.

Also, a public hearing will be held during a special council meeting on Friday, June 29th regarding the FY2017-2018 Budget. During this special meeting, the budget will be balanced and closed out for the year. (June 29th is the last business day of the fiscal year).
