Please see details for the Library fundraiser on page five of the newsletter. Your support is so appreciated!

### Snow Removal

Santaquin City has approximately 62 miles of road. Main Street and SR 198 are plowed by UDOT. The City's three large snow plows are used in the following priority: **First, the hillsides and main roads are cleared. After that, arterials (primary access roads) are plowed. Side streets and subdivisions are next, with dead ends and cul-de-sacs being plowed last. For small areas such as cul-de-sacs, where there is not enough room to turn one of the larger plows around, the City's smaller plow is brought in.** Public Works spends hours plowing and often through the night.

Residents are responsible to clear their own driveways, sidewalks and access areas in front of their homes. Please use caution around the snow plows.

### Winter Parking:

**Parking is not permitted on City Streets or in right-of-ways from November 1-March 31. For detailed information, see the City Code.**

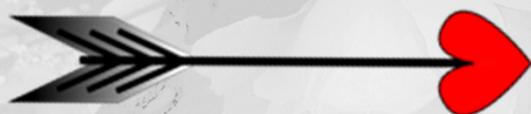

### Photo Contest Winner

The winner for the December Photo Contest is Tracey Hacking. The photo was taken from the back of Tracey's deck, looking across the pond. Congratulations Tracey!
