The "Dinosaurs"

Thank You For Your Service!

Shown From left to right: Ledger Harrow, Dexter Harrow, Blake Miller, William Davis, Jasper Foy, Noah Robbins and Bridger Reimchussel. Adults in back Jim Dray, Lilon Dray. Taking the photo, Lisa Davis not pictured.

Our May Volunteer of the Month recognition goes to a group of eight year old boys who have taken on the self-proclaimed name of "Dinosaurs". This group of boys meet twice a month to have fun and learn principles of character. Each has a unique personality but as a whole they are very united. For one of their projects, they chose to clean up the litter along the side of the street. "Just because I didn't leave it behind, doesn't mean I shouldn't pick it up" became their motto. They shared that taking care of planet earth right here in Santaquin was a fun and fulfilling project to do. Surprisingly, no one in the group had heard of Woodsy Owl that says 'Give a hoot, don't pollute!'"

From the looks of it though, these young Dinosaurs do "give a hoot!" The Dinosaurs also plastered three of their neighbor's doors on Valentine's Day this year with hearts and kind sayings, just because it was a nice thing to do. Thank you, Dinosaurs, for setting a great example of the volunteer spirit in Santaquin City.

Government guidelines for gatherings will be followed. If in doubt, call 801-754-3931 for information.

Dear Santaquin Residents and Friends,

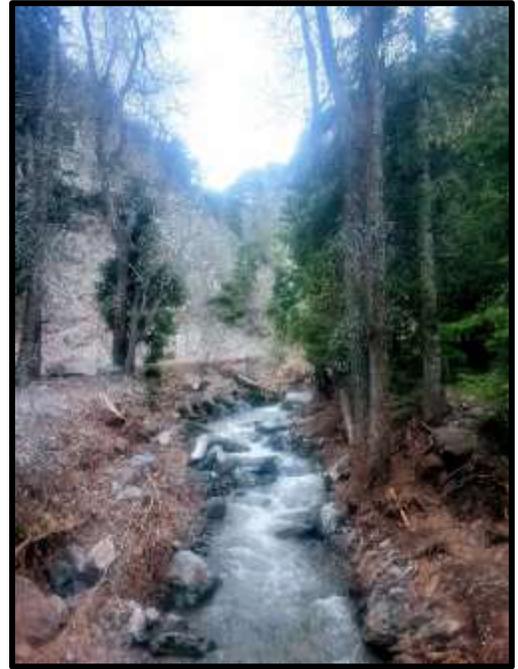

Spring is fully upon us and the world is in renewal. The grass is turning green and the flowers are in bloom. So much of what we enjoy at this time of year surrounds us, and yet much of what we take for granted has changed. However, what does not need to change is the community spirit, which is the hallmark of our great city.

Each year, Santaquin City hosts its annual spring cleanup. We invite every member of our community to take advantage. Between Saturday May 2nd – Saturday, May 9th our

Santaquin City Landfill, at 1100 W. 100 N. (Lark Lane), will be open between the hours of 9am-5pm. What a great opportunity to clean and beautify our homes and yards and lend a hand to a neighbor in need.

Much of our daily routines have changed. Many of us are working or learning from home as we follow Governor Herbert's directive to "Stay Home, Stay Safe." However, there are things each and every one of us can do to make a difference in the lives of others. Service is at the center of who we are as a community.

Another great way to return to a sense of normalcy is to get out of our homes and walk, hike and exercise. Santaquin is a beautiful place to live and enjoy. Taking time to appreciate what surrounds us is such a great thing to do this time of year. Might I also encourage you to share what you see through our "What do you love about Santaquin?" monthly photo contest.

Life might seem surreal at this time and so many in our community are suffering from the loss of jobs, economic opportunities and for some their health and safety. However, we can return to normalcy one small step at a time, which begins with making a difference here at home.

May the beauty of spring and the renewal of the season brighten your life and the lives of your family, friends and neighbors.

Mayor Kirk F. Hunsaker
