Did you know that if you follow the link below you can find Santaquin City meeting information in written or video format? To see something specific in a meeting, you can select "View Details" and it will take you to that meeting with hyperlinks to the exact topic you would like to view. <https://www.santaquin.org/meetings>

CERT is starting back up! If you have an interest in CERT or want to be a part of

the CERT TEAM you can register online at <https://www.santaquin.org/emergency/page/cert> or contact Chris Lindquist at 801-319-6439. **Classes are starting soon.**

## Yard of Month

The Yard of the Month is in the southeast part of town and belongs to Tyler and Lyndsie Teeples.

They have a beautiful yard! Congratulations to the Teeples!

## Photo of the Month Contest Winner

Debbie Apgood won July's Photo of the Month Contest with this photo taken at the Rowley's Red Barn Sunflower Festival. Congratulations Debbie!

## Hidden Picture Contest

There is a hidden picture like the one on the right in this issue of the newsletter. If you spot it, email: [kmortensen@santaquin.org](mailto:kmortensen@santaquin.org) or [bshupe@santaquin.org](mailto:bshupe@santaquin.org) with the location and your contact information to be entered in a random drawing for a fun prize by 9/30/21.

## Hidden Picture Contest Winner

Congratulations to Patsy Hancock for winning the Hidden Picture Contest for July! We hope you enjoy your prize!

  
**Volunteer**  
 of the month  
**September 2021**

**Kyle & Lena Vincent**

**Thank You For Your Service!**

Before moving to Santaquin, twelve years ago, Kyle and Lena Vincent spent the first eight years of their twenty-year marriage in Cedar City and Springville. Together they have five children ages 19, 17, 15, 6 and 4.

Recently the Vincent's have been very active in community service. Since 2020, Kyle has worked with Santaquin Community Services to develop cultural arts. In 2021, Kyle was added as a Chairman of the Community Services Board and became a member of the RAP TAX Committee. He recently taught a mural painting class and led that same class in painting our first Santaquin mural located at Centennial Park.

Kyle is an Art Instructor at Payson Junior High where he has the opportunity to mold young minds. His classes recently displayed their artwork at an exhibit in the Santaquin Chieftain Museum.

Lena joined a subcommittee on developing cultural arts in 2020. She has been active since that time planning art classes and events like the recent "Concert in the Park Series". She volunteered as an instructor to teach Santaquin's first stained glass class for adults. She is actively planning for a future 2022 Art Festival. Lena is a very talented violinist and teaches violin lessons and enjoys making about 500 synthetic dreadlocks for a company called The Dreadful Hippie. The company sells the dreadlocks online and at festivals.

The Vincent's shared that they are a very art-centered family. Music is a big part of their lives. They love singing in choirs and participating in orchestras. Lena has been performing in The Millennial Choir Orchestra for the past seven years. They also enjoy traveling and gardening as well as many other interests.

Thank you, Kyle and Lena, for sharing your talents through service to our Santaquin community.

## *In my own words...*

Friends, I love Santaquin and serving this community. I love being a coach for my kid's teams. I love being a husband and a dad. I love being a business owner, serving my neighbors, hiring employees from the community, and sponsoring our city festivals and sporting programs. I loved my time on the Santaquin Fire Department, Planning Commission and I love serving you as a member of the Santaquin City Council.

Great things are happening in our community. Yes, change is hard, but change brings opportunity, and it has been an honor to play a small part in how it is developing. For nearly eight years, I have worked with my fellow elected leaders and, with the support of staff, helped to bring Santaquin it's first major Grocery Store and Commercial Development. Together, we have built the first phase of the new Harvest View Soccer complex and expanded the amenities at nearly every other park in our community. We have also laid the groundwork for future expansion of parks, trails and other amenities for the youth of our city. I am so proud of the reconstruction of the old public works building into our current Recreation Building. I love to see the passion and energy of our new staff in the Community Services Department. The future of our recreational offerings and events is 100% on track.

As a council member, I have had responsibility over our city's police department. We have a fantastic Police Chief and an exceptional crew. They are better equipped, better paid and better trained than ever before. Our city's fire department now has a full-time Chief and daytime fully staffed coverage, not to mention an awesome emergency manager and response program to meet our community's needs. It has also been a pleasure to represent Santaquin City on various water boards throughout our region. Our Public Works crew is the best and I am proud to have helped in the construction of a new Public Works Building as well as so many different public works projects. We have seen the extension of the Summit Ridge Parkway, construction of an East Bench Irrigation Water Tank and Booster pump station, as well as a tremendous number of smaller streets, water, and park projects.

Exciting things are on the horizon as well. I cannot wait to see the Highland Drive frontage road fully connect exit's 242 and 244. I am excited to see the New City Hall built to provide our residents a community gathering place. New businesses, both announced, and those under development, will continue to grow our tax base and continue to provide jobs locally. I also can't wait to see the parking lot, pickleball courts and other amenities come to our soccer complex as well. Truly, there are too many things to mention in one simple newsletter. But its exciting and the future is bright.

For my part, I want to thank you for your support. I look forward to the next chapter in my life with greater focus on my family and greater focus in the growing of my businesses. However, as my term ends in January, I want you to know that it has been a pleasure to fight the good fight and to make a difference in the community that I love. I wish those who will continue on only my very best as well as my continued support. Santaquin is a great community, and I am very proud to call it my home. Until then, I want you to know that my door is always open and my invitation is extended to you. If you have any questions, concerns or comments, do not hesitate to contact me.

Thank you!

Nick Miller, Santaquin City Council Member

[nmiller@santaquin.org](mailto:nmiller@santaquin.org)

(801) 471-7980 (cell)

**Dear Santaquin Residents,**

Orchard Days celebration is now behind us but before it is too far from memory, I would like to thank all those who made this year's celebration a success. Numerous volunteers and staff spent valuable time putting the events together which helped us

*Thank you!*

celebrate the great community we live in. Also, thank you to the residents who participated in the different events.

I would like to congratulate those who made it through the primary election, and I extend my very best wishes to the remaining candidates as they move on to the final election in November. Running for office is a challenging experience and I appreciate all those who are willing to serve our community. Once again, I encourage registered voters to cast their vote in the general election after receiving your ballots in October.

On Saturday, September 11, our Fire & EMS Department will be hosting a pancake breakfast. This breakfast is normally held each year on Memorial Day, but due to Covid related complications, it had to be postponed until later in the year. I look forward to seeing you and your families as we gather to commemorate 9/11 and our fallen service men and women. What an honor it is to participate in this long-standing tradition.

As promised, our city will be hosting a Fall Cleanup to encourage yard and home beautification and to help out residents by providing access to our city's landfill. The dates for our Fall Cleanup will be October 9<sup>th</sup> through October 16<sup>th</sup> (excluding Sunday the 10<sup>th</sup>). The landfill will be available between 8:00am and 4:00pm on Saturdays and from 10:00am to 6:00pm during the week. Watch for more information in this newsletter, on the city Facebook page, and on the city website at [www.santaquin.org](http://www.santaquin.org).

Lastly, I would like to encourage everyone to shop local. Each of our businesses depend on us to make a go of it while providing essential services to residents. Our neighbors, family and friends are the owners of these businesses and helping them succeed is not only a responsibility but an honor for all of us. I am grateful for every business in Santaquin and Kim and I strive to support as many as possible. We recognize how doing so brings our community together,

If you find you have an issue that needs my attention, or if you see someone giving volunteer service and would like them nominated for Volunteer of the Month, please contact my assistant Suzy McDowell at [smcdowell@santaquin.org](mailto:smcdowell@santaquin.org) or at (801)754-3211x205 to schedule an appointment. Have a fantastic September!

**Mayor Kirk F. Hunsaker**

# SANTAQUIN SENIOR CITIZEN CENTER

55 WEST 100 SOUTH SANTAQUIN  
CENTER HOURS: 9:30 AM-4:00 PM  
WEEKLY ON THURSDAYS

WELCOME BACK TO SANTAQUIN SENIORS!! We are so very excited to welcome everyone back to have lunch and to our weekly activities. THERE WILL BE NO DRIVE BY MEALS. All meals will be served inside. Please let Judy know by September 2nd if you will be eating lunch on September 9th. Patrons come and participate in the following: play cards, work on jigsaw puzzles, play pool, or use our computer lab or simply visit, renew old friendships and create new ones. Just a reminder that our weekly entertainment begins at 12:00 noon, followed by a delicious home cooked meal at 12:30 p.m. The Utah County Health Department will hold their annual Immunization Clinic at the Senior Center on Thursday October 7th from 10:00 am-12:00 pm. Please bring your immunization record and insurance card. Please don't feel too "YOUNG" to check us out! Come spend a day with us!
