

Minutes of the Board of Adjustments held Sept. 20, 1978 at 6:15 a.m.

Present; Allen Gurney, Fred Openshaw, Mike Christensen, Lynn Crook.

The case of Ralph Urslich was discussed.

It was made known that the plot plan submitted by Mr. Urslich was incorrect.

An on site inspection by the Board had discovered that each lot could be 77' lots. Mrs. Greenhalgh would meet all other zoning requirements and the proposed house would also meet all other zoning requirements on this size of lots. The attached sheet shows the voting of the Board.
