The Board of Adjustment of Santaquin City will hold a public hearing on July 13, 1983, at 7:00 P. M. in the City Hall at 68 East Main Street, to hear arguments for and against the following request:

Mr. Jose Alfredo Parra of 280 West 400 North wishes to build an attached garage to his home. The garage is to be 24 X 22 ft. and would leave a sideyard of 4 feet on that side of the home. There is a sideyard of 10 ft. on the other side of the home.

The ordinance states there must be a minimum of 20 feet sideyard with 12 feet of it on one side and 8 feet on the other.

Mr. Parra is requesting a variance which would allow him to build the garage and leave a 4 foot sideyard.

All interested persons are invited to attend the hearing.
