NOTICE OF HEARING

The Board of Adjustment of Santaquin City will hold a public hearing on Thursday March 15, 1984, at 7:30 P. M. in the City Hall to hear arguments for and against the following request:

Shirley and Roger Porter of 170 South Center Street desire to have a Home Industry wherein they will sell and repair electric and gas lawnmowers.

The Zoning Ordinance requires that a Home Industry be housed in an accessory building but as the Porters do not as yet have such a building, they are requesting a variance to begin the business without one.

All interested persons are invited to attend the hearing.
