The Board of Adjustment of Santaquin will hold a public hearing on July 25, 1984, at 8:00 P. M. in the City Hall, to hear arguments for and against the following request:

Mr. Steve Hardle of 189 South 100 East wishes to build an attached garage on the south side of his home. Since this is a corner lot, the Ordinance requires a 30 foot side yard and the present sideyard without the garage is 36 $\frac{1}{2}$ feet. Mr. Hardle is asking for a variance to allow him to build either a single or a double garage.

All interested persons are invited to attend.
