NOTICE OF HEARING

The Board of Adjustment will hold a public hearing on July 18, 1985, at City Hall, 68 East Main Street, at 7:00 P. M., to hear arguments for and against granting the following request:

Mr. & Mrs. Rick Wilburg of 460 South 350 East, wish to build an attached garage to their home which garage would measure 26 feet wide. This would leave only 4 feet clearance on the one side of the lot. The Zoning Ordinance requires a minimum of 8 feet clearance on at least one side with a minimum of 12 feet on the other.

This property sits at the top of a cul-de-sac and therefore is an odd shape. The sideyard at the front of the garage would be 4 feet but at the rear would be 14 feet.

All interested persons are invited to attend the hearing.
