Board of Adjustments Meeting

25 May 1993

Present: Glade Robbins, Susan Armstrong, Janet Kelley, Jeri Bascom, Board members. Sherman Jones was absent. Also present was Quentin Francom representing Wayne Sanderson.

Meeting was brought to order. No minutes of previous meeting were read.

Mr. Sanderson's request. Mr. Francom brought in the plat map of the Sanderson property and adjoining properties frontages. Mr. Sanderson had thought about putting his addition to the back but found that it would interfere with the use of an existing garage. He is asking for a 5 foot variance that would bring to a 25 foot frontage. (See application)

Upon looking over the plat and the property itself it was felt given the nature of the other homes on the street that it would be acceptable to grant this variance to Mr. Sanderson. The vote was unanimous.

  
Jeri Bascom, Secretary
