

Minutes of Santaquin Planning Commission held January 8, 1991 at 8:00 PM.

Present were: Ken Kelley, Jeri Bascom, Dee Davis.

Absent: Glade Robbins and Gil Cook. Both excused.

Prayer was offered by Dee Davis.

Minutes from the previous meeting were read and approved.

Business: Miscellaneous business was conducted first. The League of Cities and Towns has sent a copy of a report they conducted on the current shortage of housing in Utah County. It asked each city to come up with some possible solutions to this problem. Ken has taken the report to read and will bring it back for the other Commission members to go over.

Gil Cook has put in his resignation as he will be moving soon. We discussed new members and decided that it would be good to ask for a woman and someone from the NW part of town if possible. Mrs. Bascom will contact Keith Broadhead and have it brought before the City Council.

City Map: Glade Robbins brought in copies of the ariel map of the city. We looked it over, but tabled doing anything more with this until next meeting.

We did talk about the possibilities of creating a new city park in the NE part of town. There two probabale sites. This matter was also talbled for further discussion at a later date.

Also brought up was the possiblity of bringing into the city the rest of Ben Lee's property. Right now it is a county island and could be a potential problem. This matter was also tabled.

Motion to adjourn was made by Jeri and seconded by Dee. All were in favor. Meeting adjourned at 9:00 PM.
