ARTICLE V

Covenants for Maintenance Assessments

Section 1. Creation of the Lien and Personal Obligation of Assessment. The Developer for each lot owned by him within the Properties hereby covenants and each Owner of any Lot by

acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association (1) regular assessment or charges; (2) special assessment for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided. The regular and special assessments, together with such interest thereon and the costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property (Lot) against which such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person or persons who were the owners of such property (Lot) at the time when the assessment fell due. The Association may elect from time to time any remedy with regards to the defaults by Owners without regard to any rule of law concerning the election of remedies.

Section 2. Purpose of Assessments. The assessment levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, aesthetics and welfare of the residents in the Properties and in particular for the improvement, operation and maintenance of properties, services, and facilities devoted to this purpose and related to the use and enjoyment of the Common Properties, perimeter subdivision fences, garbage collection, the payment of water and sewer fees for the Properties as they become due, payment of insurance premiums as they come due, and at the option of the Association, of the additions thereto, and for the costs of labor, equipment, materials, utilities, property taxes, management, and supervision thereof.

Section 3. Regular Assessments. The regular monthly assessments shall be 100% of the actual estimated monthly costs of maintenance and operation of the Common Properties and other facilities, payment of insurance premiums, and the estimated monthly water and sewer fees for the Properties, and may include a management fee together with amount necessary to pay into a reserve account for any increases or unexpected expenditures.

The Board of Directors of the Association may, after consideration of the current maintenance costs and future needs of the Association, provide for accumulation of reserves to meet projected needs.

Section 4. Special Assessments for Capital Improvements. In addition to the regular assessments authorized by Section 3 hereof, the Association may levy special assessments for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of described capital improvements, including the necessary fixtures and personal property related thereto, provided that any such special assessment exceeding \$3,000 or improvement costs shall be by the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members at least ten (10) days in advance and shall set forth the purpose of the meeting.

Section 5. Quorum for Any Action Authorized under Section 4. The quorum required for any action authorized by Section 4 shall be as follows:

At the first meeting called, as provided in Section 4 hereof, the presence at the meeting of members, or of proxies, entitled to cast fifty percent (50%) of all votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, the meeting may be continued subject to the notice requirement set forth in Section 4, and the required quorum at any such continued meeting shall be one-half (1/2) of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Assessment Period. The assessment period for regular assessments shall be one month. All regular assessments shall be fixed at a monthly rate and may be adjusted by the Board of Directors in accordance with Section 8 to reflect current estimated costs of maintenance and operations. All assessments must be fixed at a uniform rate for all Lots.

Section 7. Date of Commencement of Regular Assessment. Due Dates. The regular assessments provided for herein shall commence on the date (which shall be the first day of a month) fixed by the Board of Directors for the Association to be the date of commencement. Developers unsold lots are exempt from this assessment.

The regular assessment shall become due and payable on the first day of each month beginning on the month of the commencement date or such other date as fixed by the Board of Directors.

The due date of any special assessment under Section 4 hereof shall be fixed in the resolution authorizing such assessment.

Section 8. Duties of the Board of Directors. The Board of Directors of the association shall fix the date of commencement and the amount of the assessment against each Lot for each assessment period, and shall, at that time, prepare a roster of the properties and assessments applicable thereto and keep books of account showing receipts and disbursements which shall be kept in the office of the Association and shall be open to inspection by the Owner at reasonable times.

Written notice of the assessment shall thereupon be sent to every Owner subject thereto.

Section 9. Effect of Non-Payment of Assessment: The Personal Obligation of the Owner: The Lien: Remedies of Association. If the assessments are not paid on the date when due (being the dates specified in Section 7 hereof), then such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the property which shall bind such property in the hands of the then existing Owner, his heirs, personal representatives and assigns. The personal obligation of the then existing Owner to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them, in which case such obligation shall be joint and several.

If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the due date at the rate of eighteen percent (18%) per annum, and the Association may bring action at law against the Owner personally obligated to pay the same or to foreclose the lien against the property, and there shall be added to the amount of such assessment the cost of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as

above and reasonable attorney's fees to be fixed by the court, together with the costs of the action.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessment provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the properties subject to assessment.

Section 11. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments, charge and lien created herein: (a) all properties to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; (b) all Common Properties as defined in Article I, Section 1 hereof; (c) all properties temporarily exempted by a separate writing during the construction phase of the development.
