Agenda Items:

A) Proposed recreation amenities at proposed Gray Cliffs Development-Steve Larsen.

Steve Larson from Gray Cliff Development showed a slide show of drafts for the recreation part of the development. The goal would be to intergrade a bike park, hiking trails, trail head parks, do some improvements to east side park and add a pickle ball court.

Steve Larson showed a graph on where all of the different trails would be placed and run into each other. Approximately 1.5 miles of multi-use trails and youth learning programs, mountain bike trails around 2.4 miles, 2.6 miles of hoof & boot, open space amenities and a pump track.

Recreation Supervisor Bryan Mecham asked about who would be in charge of the maintain the pump track to make sure there is no liability for the jumps not being the right detentions. Larson let the board know that a different city has found a volunteer to help, but every city is different and it may take a part time employee to maintain it.

B) Recreation classes & programs-summer update

Recreation Supervisor Bryan Mecham updated the board that baseball went well considering it was put together in one week. Soccer numbers looking awesome. There will be a golf tournament on September 5th. Wrestling, volleyball, and flag football will take place this fall. There will be a spike ball 24th tournament it will be an all-nighter.

C) Projects updates

Recreation Supervisor Bryan Mecham told the board about the vole problem at the Harvest View Sport Complex. Exterminators came out Friday and set up 37 bait stations, we will continue to try to get them out of there.

Leisure Services Director John Bradley update the board that we received a 10K grant to go toward the basketball courts. Within the next week or so we will be able to send that out to bid. Also, the ball fields have looked better than ever.
