**Public Forum:** No one present

### **Agenda Items:**

#### **A.) Discussion and possible action of the continuation of planning of the possible upcoming Recreation and Aquatics Center.**

Ron Jones from WPA Architecture showed renderings of the new building. City Manager Benjamin Reeves explained that the board keeps asking for examples on how this will look, but the board will be helping on the appearance of the building. Ron Jones from WPA Architecture showed the blue-prints for the new recreation center, this is by no means the fished project they want the boards input. The multi-use room is available to the public to gather for events and parties.

Board member Sara Olson talked about how we really need a pool and thinks that, if we have two unique things that will attracted people to us. Chair Jessica Tolman asked how well the structure of the building is. Ron Jones explained it was in really good condition. The next step would be adding elements from our survey. City Manager Benjamin Reeves talked about possibly having the board meeting every two weeks. Ron Jones said he will have the estimate for the recreation center the beginning of August.

Recreation Coordinator Bryan Mecham spoke on soccer coaches he let everyone know that we are low on coaches. He showed baseball survey and it was pretty positive. Parks and Recreation Director Amy Johnson talked about what's to come with recreation in the next few months.
