-Presentation of the Jr. Jazz mid-season survey results:

Recreation Coordinator Bryan Mecham read through survey results. The most common response was, the public wanted the games to start sooner, more games and better referees. See handout.

-Discussion on the role of officials, spectators and players in recreation sports:

Recreation Coordinator Bryan Mecham talked about the new hire process that we would like to start for supervising, referees and coaches. Find coaches first then do registration. Hiring coaches and basing the amount of room we have for the program from the amount of coaches able to go through the training process. The coaches would have to qualify first, get through a back ground check and the training process. It's the same hiring steps we do now, just reversed. See handout.

-Discussion of possible uses for the Utah County Municipal Recreation Grant in the amount of \$5,816.82:

Parks and Recreation Director Amy Johnson spoke on what the grant can be used for. See hand out for guidelines. Ideas would be rodeo ground monument, Softball batting cage, and LED sign at new recreation office. The Board was asked to brainstorm ideas to discuss at future meeting.
